**VRDS**  
GROUP

# Sterilization & Infection Control Solutions

Quality Products | Safe Care | Trusted Partnership

**VRDS Group** is dedicated to advancing healthcare safety by delivering dependable sterilization monitoring, packaging, and high-performance infection prevention products across medical institutions nationwide.

GSTIN : 36ABCFV0256C1ZI | Drug License : TG/MDL/2026-151709

📍 H.No. 12-144, P&T Colony, Road No. 1, Medipally, Medchal-Malkajgiri, Telangana – 500098

# VRDS Group

A complete range of **Sterilization Process Monitoring**, packaging, disinfection and patient-care disposables sourced from trusted global brands and supplied with technical expertise, regulatory compliance and reliable after-sales support.

We believe in transparency, integrity and quality in every product we offer. Our mission is to make reliable infection control solutions accessible to every healthcare institution from **Large Multi-Specialty Hospitals** to **Individual Clinics** and **Diagnostic Laboratories**.

## Why Choose VRDS Group?

### OUR COMMITMENT

#### Premium Quality Products

Sourced from trusted global brands that meet **International Quality Benchmarks**.

#### Wide Range of Solutions

A complete portfolio of **Sterilization** and **Infection-Control Products** under one roof.

#### Dedicated Customer Support

Responsive service and after-sales support for every order, every time.

#### Technically Competent & Compliant

In-depth product knowledge with **Full Regulatory** and **Documentation Support**.

#### Timely Delivery

A reliable **Supply Chain** that keeps **Healthcare Facilities** stocked without interruption.

more information

# Steam Sterilization Monitoring Indicators

01

**Steam Sterilization Monitoring Indicators** are essential for monitoring each cycle of an autoclave, helping ensure critical sterilization parameters are met for patient safety and regulatory compliance.

## APPLICATIONS

- Hospitals & Healthcare Facilities
- CSSD Departments
- Operation Theatres
- Clinics & Laboratories
- Medical Colleges

## Key Benefits

- ✓ Easy to Use
- ✓ Accurate & Reliable
- ✓ Clear Colour Change
- ✓ ISO Compliant
- ✓ Ensures Patient Safety

| S.NO | ITEM DESCRIPTION                     | PACKAGING           | HSN Code |
|------|--------------------------------------|---------------------|----------|
| 01   | Class 6 Steam Chemical Indicator     | 1 Box – 400 strips  | 3822     |
| 02   | Class 5 Steam Chemical Indicators    | 1 Pack – 400 strips | 3822     |
| 03   | Class 4 Steam Strips                 | 1 Box – 400 strips  | 3822     |
| 04   | PCD Steam                            | 1 Box – 250 strips  | 3822     |
| 05   | Bowie Dick Test Sheet                | 1 Pack – 100 sheets | 3822     |
| 06   | Bowie Dick Test Pack                 | 1 Pack              | 3822     |
| 07   | Biological Indicator – Steam         | 1 Box – 100 vials   | 3822     |
| 08   | Documentation Labels – Steam (Blitz) | 1 Roll – 500 labels | 3822     |
| 09   | Autoclave Tape – Steam               | 1 Roll – 50 mtr     | 3822     |
| 10   | Ink Roll – Blitz                     | 1 unit              | 8443     |

## COMPLIANCE YOU CAN RELY ON

Every VRDS monitoring indicator is manufactured and quality-tested to international standards, giving your CSSD complete confidence in every sterilization cycle.

# EO Sterilization Monitoring Indicators

02

**Ethylene Oxide (EO)** process monitoring indicators verify critical parameters of EO sterilization cycles, ensuring consistent performance and patient safety.

## APPLICATIONS

- Hospitals & Healthcare Facilities
- CSSD Departments
- Medical Devices & Surgical Instruments
- Pharmaceutical Industry
- Testing & Research Laboratories

## Key Benefits

- ✓ Accurate Monitoring
- ✓ Easy Interpretation
- ✓ High Reliability & Consistency
- ✓ Regulatory Compliance

| S.NO | ITEM DESCRIPTION                  | PACKAGING           | HSN Code |
|------|-----------------------------------|---------------------|----------|
| 01   | Class 5 ETO                       | 1 Box – 400 strips  | 3822     |
| 02   | Class 4 EO Strips                 | 1 Pack – 400 strips | 3822     |
| 03   | Biological Indicator – ETO        | 1 Box – 100 vials   | 3822     |
| 04   | PCD ETO                           | 1 Box – 250 units   | 3822     |
| 05   | Documentation Labels – EO (Blitz) | 1 Roll – 500 labels | 3822     |
| 06   | EO Tape                           | 1 Unit – 50 Meters  | 3822     |

## CONSISTENT CYCLE VERIFICATION

Every EO monitoring strip and biological indicator we supply is manufactured to meet strict international validation standards.

## Plasma Sterilization Monitoring Indicators

03

**Plasma Sterilization Monitoring indicators** ensure effective cycle validation for low-temperature sterilization processes, protecting heat-sensitive medical devices.

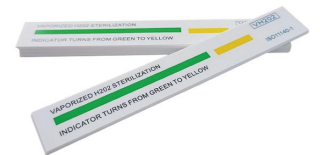

### APPLICATIONS

- Hospitals & Healthcare Facilities
- Central Sterile Services Departments
- Heat-Sensitive Instruments
- Rigid & Flexible Endoscopes
- Dental & Ophthalmic Devices

### Key Benefits

- ✓ Low-Temperature Validation
- ✓ High Process Assurance
- ✓ Reliable & Reproducible
- ✓ Standard Compliance

| S.NO | ITEM DESCRIPTION                      | PACKAGING           | HSN Code |
|------|---------------------------------------|---------------------|----------|
| 01   | Class 4 Plasma Strips                 | 1 Box – 200 strips  | 3822     |
| 02   | Biological Indicator – Plasma         | 1 Box – 100 vials   | 3822     |
| 03   | PCD Plasma                            | 1 Box – 500 units   | 3822     |
| 04   | Documentation Labels – Plasma (Blitz) | 1 Roll – 500 labels | 3822     |
| 05   | Plasma Tape                           | 1 Unit – 50 Meters  | 3822     |

### PROTECTING SENSITIVE INSTRUMENTS

Our plasma indicators are validated for low-temperature cycles, keeping endoscopes and other heat-sensitive devices safe.

## Labeler Guns

04

**Labeler Guns** provide efficient and accurate labeling for sterilization packs and documentation ideal for CSSD, warehouses and healthcare facilities that need fast, accurate labeling.

-  **SMOOTH OPERATION**
-  **DURABLE & RELIABLE**
-  **CONSISTENT LABELING**

| S.NO | ITEM DESCRIPTION      | MAKE  | PACKAGING | HSN Code |
|------|-----------------------|-------|-----------|----------|
| 01   | Labeler Gun – 3 Liner | Blitz | 1 Unit    | 9611     |

## CSI Sealing Machine

05

The **CSI Sealing Machine** delivers a strong, consistent and reliable seal for sterilization pouches and reels ideal for CSSD, hospitals and healthcare facilities.

-  **STRONG & CONSISTENT SEAL**
-  **ADJUSTABLE TEMPERATURE**
-  **COMPATIBLE WITH POUCHES & REELS**

| S.NO | ITEM DESCRIPTION    | PACKAGING | HSN CODE |
|------|---------------------|-----------|----------|
| 01   | CSI Sealing Machine | 1 Unit    | 84223000 |

## Sterilization Packaging Reels

06

**Sterilization Packaging Reels** maintain the sterility of packed instruments until the point of use through strong, consistent seals and high-barrier protection.

### APPLICATIONS

- CSSD Departments
- Hospitals & Healthcare Facilities
- Clinics & Laboratories
- Dental Clinics
- Veterinary Clinics

### Key Benefits

- ✓ Excellent Seal Strength
- ✓ Consistent Quality
- ✓ High Barrier Protection
- ✓ Indicator Compatible
- ✓ Multiple Size Options

| S.NO | ITEM DESCRIPTION   | SIZE             | PACKAGING | HSN CODE |
|------|--------------------|------------------|-----------|----------|
| 01   | Sterilization Reel | 50 mm × 200 mtr  | 1 roll    | 48044100 |
| 02   | Sterilization Reel | 75 mm × 200 mtr  | 1 roll    | 48044100 |
| 03   | Sterilization Reel | 100 mm × 200 mtr | 1 roll    | 48044100 |
| 04   | Sterilization Reel | 150 mm × 200 mtr | 1 roll    | 48044100 |
| 05   | Sterilization Reel | 200 mm × 200 mtr | 1 roll    | 48044100 |
| 06   | Sterilization Reel | 250 mm × 200 mtr | 1 roll    | 48044100 |
| 07   | Sterilization Reel | 300 mm × 200 mtr | 1 roll    | 48044100 |
| 08   | Sterilization Reel | 350 mm × 200 mtr | 1 roll    | 48044100 |
| 09   | Sterilization Reel | 400 mm × 200 mtr | 1 roll    | 48044100 |

### STERILITY, SEALED IN

Every packaging reel is engineered for a strong, consistent seal that protects instruments right up to the point of use.

## Tyvek Reels

07

Tyvek-compatible reels ensuring durable, point-of-use sterility for low-temperature plasma sterilization.

### APPLICATIONS

- CSSD Departments
- Hospitals & Healthcare Facilities
- Surgical Instrument Packaging
- Long-Term Storage

### Key Benefits

- ✓ Superior Strength
- ✓ Excellent Microbial Barrier
- ✓ Tear & Puncture Resistant
- ✓ Sterilization Compatibility

| S.NO | ITEM DESCRIPTION | SIZE            | PACKAGING | HSN CODE |
|------|------------------|-----------------|-----------|----------|
| 01   | Tyvek Reel       | 50mm x 70 mtr   | 1 roll    | 48044100 |
| 02   | Tyvek Reel       | 75 mm × 70 mtr  | 1 roll    | 48044100 |
| 03   | Tyvek Reel       | 100 mm × 70 mtr | 1 roll    | 48044100 |
| 04   | Tyvek Reel       | 150 mm × 70 mtr | 1 roll    | 48044100 |
| 05   | Tyvek Reel       | 200 mm × 70 mtr | 1 roll    | 48044100 |
| 06   | Tyvek Reel       | 250 mm × 70 mtr | 1 roll    | 48044100 |
| 07   | Tyvek Reel       | 300 mm × 70 mtr | 1 roll    | 48044100 |
| 08   | Tyvek Reel       | 350 mm × 70 mtr | 1 roll    | 48044100 |
| 09   | Tyvek Reel       | 400 mm × 70 mtr | 1 roll    | 48044100 |

### BUILT TO RESIST

Tyvek's tear- and puncture-resistant barrier keeps your sterile packs intact through handling, transit and storage.

## EO Cartridges

08

EO cartridges are used for effective ethylene oxide gas sterilization, ensuring consistent and safe results across cycles.

| S.NO | ITEM DESCRIPTION      | PACKAGING      | HSN Code |
|------|-----------------------|----------------|----------|
| 01   | EO Cartridge – 40 gm  | 1 box – 50 pcs | 29101000 |
| 02   | EO Cartridge – 100 gm | 1 box – 50 pcs | 29101000 |
| 03   | EO Cartridge – 170 gm | 1 box – 50 pcs | 29101000 |

## Sterilization Documentation Labels & Accessories

09

A complete set of documentation labels and accessories for accurate record-keeping across steam, EO and plasma sterilization cycles

| S.NO | ITEM DESCRIPTION              | PACKAGING           | BRAND              | HSN CODE |
|------|-------------------------------|---------------------|--------------------|----------|
| 01   | Documentation Labels – Steam  | 1 Roll – 500 labels | Printex, Argentina | 3822     |
| 02   | Documentation Labels – EO     | 1 roll – 500 labels | Terragene, Italy   | 3822     |
| 03   | Documentation Labels – Plasma | 1 roll – 500 labels | Terragene, Italy   | 3822     |
| 04   | Ink Roll – Blitz              | 1 unit              | Printex, Argentina | 8443     |
| 05   | Masking Tape                  | 1 no.               | Classic            | 4811     |

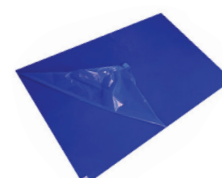

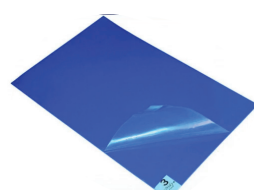

## Sticky Mats

10

Multi-layered adhesive mats designed to capture dust, dirt, and particulates from footwear and cart wheels at cleanroom/CSSD entrances.

| S.NO | ITEM DESCRIPTION   | SIZE                | BRAND   | HSN CODE |
|------|--------------------|---------------------|---------|----------|
| 01   | Sticky Mat – White | 24" x 36" (60x90cm) | Classic | 39199090 |
| 02   | Sticky Mat – Blue  | 24" x 36" (60x90cm) | Classic | 39199090 |

## SMS Wrappers – 35 GSM

11

High quality SMS wrappers provide excellent barrier protection and maintain the sterility of packed instruments.

| S.NO | ITEM DESCRIPTION | SIZE          | PACKAGING        | HSN CODE |
|------|------------------|---------------|------------------|----------|
| 01   | SMS Wrapper      | 50cm x 50cm   | 1 pack – 100 pcs | 63079090 |
| 02   | SMS Wrapper      | 60cm x 60cm   | 1 pack – 100 pcs | 63079090 |
| 03   | SMS Wrapper      | 75cm x 75cm   | 1 pack – 100 pcs | 63079090 |
| 04   | SMS Wrapper      | 90cm x 90cm   | 1 pack – 100 pcs | 63079090 |
| 05   | SMS Wrapper      | 100cm x 100cm | 1 pack – 100 pcs | 63079090 |
| 06   | SMS Wrapper      | 120cm x 120cm | 1 pack – 100 pcs | 63079090 |
| 07   | SMS Wrapper      | 150cm x 150cm | 1 pack – 100 pcs | 63079090 |

### A SIZE FOR EVERY TRAY

Seven standard sizes mean your CSSD can match the right wrap to every instrument set

## SMS Wrappers – 43 GSM

12

Premium quality SMS wrappers with higher strength and durability for superior instrument protection.

| S.NO | ITEM DESCRIPTION | SIZE          | PACKAGING        | HSN CODE |
|------|------------------|---------------|------------------|----------|
| 01   | SMS Wrapper      | 50cm x 50cm   | 1 pack – 100 pcs | 63079090 |
| 02   | SMS Wrapper      | 60cm x 60cm   | 1 pack – 100 pcs | 63079090 |
| 03   | SMS Wrapper      | 75cm x 75cm   | 1 pack – 100 pcs | 63079090 |
| 04   | SMS Wrapper      | 90cm x 90cm   | 1 pack – 100 pcs | 63079090 |
| 05   | SMS Wrapper      | 100cm x 100cm | 1 pack – 100 pcs | 63079090 |
| 06   | SMS Wrapper      | 120cm x 120cm | 1 pack – 100 pcs | 63079090 |
| 07   | SMS Wrapper      | 150cm x 150cm | 1 pack – 100 pcs | 63079090 |

### EXTRA STRENGTH WHERE IT COUNTS

The heavier 43 GSM weave is built for demanding loads that need extra tear resistance and

## Disposables – PPE & Patient Care

13

Single-use PPE and patient-care disposables for hospitals, CSSD, OT and clinical areas engineered for reliable barrier protection, comfort and infection prevention.

|                                                                                     | S.NO | ITEM DESCRIPTION                        | PACKAGING        | HSN Code |
